

# HELITE-G-24

Helipad light (TLOF)

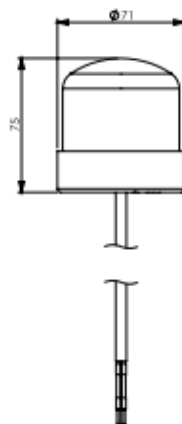

P/N : 113975

## Key Points

- hard glass
- compact
- low power consumption
- compliant with ICAO
- 10-36VDC power supply

Electrical Characteristics		
Power supply		3W
Power supply		10-36Vdc
Mechanical Characteristics		
Operating temperature		-30/+60°C
Color		green
IP degree		IP66
Attachment		1 NPT threaded holes or 3 M4 0.7

Photometric Characteristics		
Luminous intensity		>32cd
Standards		
Standards compliance		ICAO
